# I'm Hafizur Rahaman

**Location:** Bangalore, Karnataka
**Phone:** +917204122764
**Email:** work.hafizurrahaman@gmail.com
**Portfolio:** https://hafizurrahaman.netlify.app/
**GitHub:** https://github.com/hafizurrahaman0
**Education:** BCA - Coursework focused on Web Technologies, Databases, Data Structures, Software Engineering Concepts.

## About Me

Forward-thinking individual, consistently demonstrating the ability to learn new technologies and adapt to dynamic challenges with speed and efficiency.

## Skills

HTML, CSS, JavaScript, NodeJS, ExpressJS, Python, Django, MySQL, MongoDB, Git

## Projects

2024 - Present

**Project 1** - *Frontend Mentor Challenge*

Profile: https://tr.ee/RqSK1B

- Developed a fully responsive landing page, interactive component using HTML, CSS, and JavaScript, accurately translating provided design mockups.
- Implemented specific feature like, complex grid layout, interactive form validation, API integration, demonstrating strong problem-solving skills and attention to detail.

## Internships

January 2025 - February 2025

**Unified Mentor | Self-Paced Full Stack Web Development Internship**

Certificate: https://tr.ee/uYZiIr

- Developed and deployed responsive web applications leveraging a full-stack MERN (MongoDB, Express.js, React.js, Node.js) or similar stack, demonstrating proficiency in both front-end and back-end development.

June 2025

**Accenture | Self-Paced Software Engineering Internship**

- I am learning about the end-to-end software development lifecycle, specifically how a software product is constructed from the first requirements gathering to its full development, through my current online software engineering internship with Accenture, which is made possible by the **Theforge** platform.
